The TRAVELCONSUMERDAILY.com best fares guide will grow in coming months to encompass all major air travel markets in the Asia-Pacific region. Best fares are the regularly available best discounts that are made available by airlines, generally a minimum of three weeks prior to travel. They don't include increasingly common "sale" fares used to stimulate demand that are typically substantially below cost. Best fares are generally just above an airline's break-even level.

All fares listed here are in Australian dollars (AUD) one-way unless designated 'rtn'; Singapore fares in Singapore dollars (SGD) unless designated \$A (AUD). Best fares usually exclude credit card charges (TR exempt if paid for with Mastercard debit card only) and often exclude check-in luggage charges, are sometimes bettered by sale fares and are sometimes unavailable. These fares should be used as a guide only.
